

PRESCRIPTION COMPOST

TECHNICAL DATA SHEET

DESCRIPTION

Phoenix Prescription Compost is a premium grade product loaded with enriched organics and specially formulated to amend or correct damaged soils. This compost complies with Australian Standards AS4454, acts as a soil additive or natural fertiliser and is an ideal growing medium in tropical and vegetable gardens.

PROPERTIES

- Possesses excellent drainage qualities whilst sustaining balance between air-filled porosity and water holding capacity
- Fully composted over a 12-16 week period and passed through 10mm screen
- Neutral to slightly alkaline pH levels
- 100% recycled organic product which is weed and pathogen free
- Externally lab tested by Independent Soil Testers to conform to Australian Standards 4454 for Composts

APPLICATION

- Appropriate for tropical plants and vegetable gardens- mulching garden is recommended
- For rejuvenating damaged soils mix compost through the top three inches of soil
